Drought Loss To Crops, Property Into Millions

CHICAGO (AP) — The drought belt extending from Texas to New England remained explosively dry over the weekend as the effect on the nation's economy deepened.

Scattered rains brought scant relief to some spots, but the loss to crops and property from the dryness and accompanying fires is expected to run into the millions of dollars.

Fires have burned across thousands of acres of forests and woodlands. Pastures have turned brown. Wells and farm ponds have gone dry. Water is being rationed in some communities. The shortage of water has been felt in some of the major cities in the East.

AG CENSUS TO BE TAKEN IN ADAMS COUNTY

Adams County has been chosen by the Census Bureau of the U.S. Department of Commerce for a 1963 test of methods and questions to be asked in the nationwide 1964 census of agriculture to be taken a year later. The announcement was made today by Edgar L. Bryan of the Philadelphia regional office of the Census Bureau, who will supervise the test census.

In November about 14 local persons will be given temporary appointments by the Bureau of the Census and will be trained in census taking. Beginning November 18 for seven working days they will go from farm to farm in the county, asking farmers the questions that have been recommended for the nationwide 1964 Census of Agriculture.

The census questions ask for the acreage and production of each crop including vegetable, fruit and forest crops; the use of farm land; the numbers of each kind of livestock and poultry on the farm; the sale of milk and livestock; the number of important farm machines on farm; the use of agricultural chemicals, such as fertilizers, lime, sprays and dusts; the number and characteristics of the persons living on farm, and the cash expenditure for eight important farm cash expenditures.

"The purpose of this year's test census is to try out the questions and methods for the 1964 nationwide census," according to Supervisor Bryan. The farm-to-farm enumerators will be chosen after a special census examination. Each enumerator will take a home-study course of training estimated to require 10 to 14 hours spread over four days and will be given a test by their crew leader after the training is completed.

High Court Orders New Study Of Conviction Of Crime Syndicate Leader

WASHINGTON (AP) — The Supreme Court today ordered reconsideration of the narcotics law conviction of Vito Genovese, reputed overlord of organized crime in this country. The court divided 6-3.

Genovese, 66-year-old native of Italy, was described in recent Senate crime hearings as kingpin of a nationwide crime syndicate known as Costa Nostra. He is serving a 15-year sentence in the Leavenworth, Kan., Penitentiary.

The case of Genovese and nine others convicted with him was sent back to the U.S. Circuit Court in New York for reconsideration in light of a Supreme Court decision last May 27 in another case. Justices Clark, Harlan and White dissented from today's action.

SET JUDGMENT ASIDE

The Supreme Court acted in the case of Genovese and the others with a brief order which directed that the judgment of

the circuit court in New York upholding their conviction should be set aside pending reconsideration.

The May decision was in the case of Alvin R. Campbell and two others, who were convicted in a bank robbery. The Supreme Court's decision in the Campbell case held that an FBI agent who had interviewed a witness should have turned over to the defense his notes of the interview.

The trial judge in the Campbell case had refused permission for production of the notes, and for production of a report on the interview.

CALLED FUTILE

Justice Clark, who wrote a two-paragraph dissent, in which Justices Harlan and White joined, said he realized that the Supreme Court was not deciding today that the Campbell case governed the Genovese case; also that the Supreme (Continued On Page 3)

Forecast Rain Within 10 Days

The staff of The Gettysburg Times weather station came up with a forecast today:

RAIN WITHIN 10 DAYS.

They based the forecast not as a result of scanning the skies, studying weather charts, checking on the condition of arthritis and corns or making a survey of caterpillars, acorns, birds or other forms of wild life sometimes used by weather prognosticators.

The prediction is based entirely upon the fact that never in the 60 years that weather records have been kept in Gettysburg has there been a month without measurable rain.

No rain has fallen here so far in October and in 10 days the month will be over. Hence, the forecast.

The local weathermen did admit there may not be much rain but there must be some if weather records mean anything. The two driest months on record here are December, 1955, when only eight hundredths of an inch of rain fell, and October, 1924, when there was one tenth of an inch of rain.

60 PA. FOREST FIRES BATTLED OVER WEEKEND

By THE ASSOCIATED PRESS
Another 60 forest fires broke out across the state this past weekend.

To make matters worse, there appears to be no immediate relief in sight from the drought conditions which have squelched the moisture from the timber land.

Samuel J. Cobb, chief of the forests protection division in the state Forests and Waters Department, said the two worst fires were in the Altoona and Scranton areas.

41 FIRES A DAY

Some 10 to 150 acres of land were reported burning Sunday about five miles south of Altoona while about 200 acres were flaming Saturday in Scranton.

The state averaged 41 fires a day last week, Cobb said, adding: "Unless we catch them when they're real small, we can't put them out because everything's so dry. The only thing we can do is put lines around them and let them burn to the ground."

Meanwhile the U.S. Weather Bureau at Harrisburg reported Sunday that the heavy rains necessary to put on end to the drought may be another three days away—if not longer.

The bureau said a storm located off the Carolina coast was causing some light rain in the Atlantic City, N.J., area.

However, a forecaster said there was no indication at present that this system would carry into Pennsylvania, although he termed it a "slight possibility."

HARRISBURG (AP)—Commonwealth Court today issued a preliminary injunction against the firing of Roland F. Daley who was scheduled to be dismissed as business manager of the Samuel G. Dixon State Hospital in Franklin County.

At the same time, the court scheduled a hearing for Tuesday to determine whether the injunction should be made permanent pending a ruling in the case by the state Civil Service Commission.

The court acted on a motion by Atty. Jerome H. Gerber, who contended that Daley's dismissal stems from his refusal to be re-assigned in what he called an illegal civil service procedure.

SANTO DOMINGO, Dominican Republic (AP)—An anti-government rally turned into a free-swinging riot Sunday night as police used clubs and tear gas to break up the demonstration.

It was the most serious outbreak in the Dominican Republic since the government of President Juan Bosch was overthrown in a military coup September 25.

WASHINGTON (AP)—The Supreme Court overturned today convictions of 373 Negro students on charges of breach of the peace after a demonstration march in Orangeburg, S.C.

The Negroes, sentenced to \$50 fines or 30 days in jail each, appealed after the South Carolina Supreme Court twice affirmed their convictions.

The Supreme Court, in a three-lined order, ordered the convictions overturned in light of a decision last spring in a case involving Negro demonstrators at the Capitol grounds in Columbia, S.C. The Columbia demonstrators were freed by the Supreme Court on the ground that they have a right to demonstrate peacefully.

ties." Father Kealy said. "Such a narrow Christianity is a caricature of the religion of Christ which embraces every department of man's life and claims to penetrate it. Whatever be his field of action, every Christian is called upon to take part in the work of spreading of the Kingdom of God on earth."

"Now the layman is one who seeks to work out his salvation not only in secular society, but through it, by fulfilling those duties which his position in society imposes on him. You are Catholic laymen who then have this function. Our present Holy Father, Pope Paul VI, when he was still archbishop of Milan, said, 'Catholicism is a fine and a great word, but when it comes to translating it into actual fact, immense spiritual strength is needed, a heart overflowing with kindness and charity; the spirit of the Cross and of the Gospel must be alive within us.'"

"LIVE IT DAY BY DAY"

Time after time I've wondered... what life is all about... just when things are looking up... my luck starts running out... seldom do things go along... at an even gait... it's a case of hurry up... then sit around and wait... my life is like a seesaw... I'm up and then I'm down... smiling for a moment... then wearing a frown... this situation that prevails... is worrisome at best... each day I am presented with... another grueling test... but I have lots of company... most of use are the same... thus I have arrived at this... it's all part of the game... with God's help I will pass each test... faith guides me on the way... it matters not what comes in life... for Smith. Daywalt said he kept \$5 of the \$33 paid for the wire and gave the rest to Smith. Smith told the court he did not get any of the money. Daywalt had been on parole. The court suspended sentence on the receiving stolen goods charge and revoked his parole on aprior charge and returned him to jail to complete that sentence.

The arraignment of \$2,555 on the support order of Bernard R. Hewitt, former Gettysburg R. 5 jockey, was "paid off" by court directions Saturday when Hewitt agreed that a \$1,430 inheritance due him could be used to pay on the arraignment.

John A. Martin Jr., 29, Philadelphia, who had just completed a two-year term in the Eastern Penitentiary on burglary charges in Franklin County and two months in Carlisle on charges there, was given a suspended sentence on three burglary and larceny charges here "in view of the fact that you have already served two years."

PUT ON PROBATION

Martin was placed on probation for two years and ordered to make restitution "in amounts to be determined by the probation office." Martin and five other men were involved in burglaries July 16-17, 1961, at the Silver Dollar Cafe, Bankert's Restaurant, near here, and the Two Mile Inn. He is the

Miller, Arnold Cederberg, York, 16th District commander; William Port, Mechanicsburg, aide to the state commander of the CWV; commanders of the various veterans post present, the Sisters who teach at St. Joseph School and others.

Following the program a buffet dinner was served.

G. Henry Roth was master of ceremonies for the program.

last of the five to be sentenced. Various amounts of the restitution were paid by the other four and Martin will complete the restitution.

A charge of assault and battery and malicious mischief brought against Raymond F. Springer, Emmitsburg R. D., by his wife, Marlene Springer, was dismissed on payment of costs after Mrs. Springer said he had replaced the glass he broke in the car and that she and her husband are now getting along well.

WAS ABANDONED

A charge of driving without consent of the owner brought by Dorothy Chard, Heidersburg, against Wilbur T. Smith, also of Heidersburg, was suspended on payment of costs. The prosecutrix said she preferred to drop the charge. She and Smith had gone to a picnic together. Later he drove off in the car without her.

Thomas H. Wilcox Jr., Rochester, N.Y., charged with hit-and-run driving, was given a suspended sentence on condition he pay \$150 for the use of the county and the costs.

Cleason P. Arentz, R. 3, charged with hit-and-run, was given a suspended sentence on condition he pay \$100 for the use of the county and the costs.

John J. Senseney, Littlestown R. 2, and Anthony L. Shriner, R. 5, charged with larceny of manifolds and carburetors from cars of Robert H. Hartlaub, Bonneauville used parts dealer, were each directed to pay \$100 for the use of the county and the costs.

TWO ARE FINED

Earl W. Schreiber, Hanover, and Boyd H. Shepler, Enola, both charged with driving during suspension, were each given a suspended sentence on condition they pay \$150 for the use of the county and the costs.

Donald Clarence Hughes, East Berlin, charged with several burglaries of the East Berlin Elementary School, was given a suspended sentence and placed on probation for one year on condition he pay \$100 for the use of the county and the costs.

Ronald L. Hankey, McKnightstown, charged with driving during suspension was given a suspended sentence, placed on probation for a year, ordered to pay \$200 for the use of the county and the costs and told that if he drives again during the year another sentence will be imposed in the current case plus any sentence given in the new case.

Francisco Rivera Perez, Biglerville R. 1, charged with hit and run, was given a suspended sentence on condition he pay \$150 for the use of the county and the costs.

Thomas M. Lyons Sr., Hazleton, was given a suspended sentence and ordered to pay the costs in two worthless check charges.

DEFER SENTENCE

At the request of his employer, John Blocher, sentence was deferred to November 12 for Antonio Mejica, Aspers, charged with pointing and discharging a firearm. However, because the Puerto Rican laborers who are witnesses probably will wish to leave at the completion of the harvest season, testimony was taken from all concerned Saturday afternoon. Blocher said Mejica is a crew chief and "we need harvest help and he needs the money he can make to support his wife and children through the winter." The testimony of all seemed to be that Mejica as crew boss attempted to keep two women out of the camp near Aspers. When the men objected and struck him, he went to get a shotgun to enforce his orders. He fired the shotgun and it struck a Puerto Rican worker, Inex Colon, in the legs.

Colon apparently had not been in the camp building when the original altercation took place but apparently was an innocent bystander hit by the pellets, according to the testimony. Police said the pattern of the shotgun pellets when they struck Colon's legs indicated that the shot had been fired about 30 feet away. Mejica claimed he was attempting to fire into the ground to frighten the group. Mrs. William Coradetti served as interpreter in Spanish for the questioning.

Students Help To Fight Woods Fire

Mount Saint Mary's College students were summoned Saturday afternoon to assist Emmitsburg and Thurmont firemen in battling a woods fire on the mountain west of Emmitsburg.

Emmitsburg's Vigilant Hose Co. was summoned at 4:30 o'clock when the fire was discovered opposite Rainbow Lake, the town's reservoir in the mountain. Emmitsburg then summoned Thurmont firemen to assist. With the fire still out of control, the Emmitsburg siren was sounded twice to call additional firemen and other men of the town to assist.

Mount Saint Mary's College was also contacted and a number of the students left the Homecoming Weekend activities to assist the firemen in fighting the blaze.

More than 70 men were engaged in the fire fight. No immediate estimate was made of the area burned over. Emmitsburg firemen returned to their engine house at 8 o'clock Saturday night.

MOTORISTS CHARGED

Motor code violation charges have been filed by the Hanover police before Justice of the Peace Dayne E. Garrett, Hanover, against the following: Vernon L. vided music under the direction of Mrs. Kroeger. The speaker was introduced by Rev. Robert Paden, pastor of St. John's United Church of Christ.

Dr. Moss told the group that 20 such ecumenical councils have been held since 325 A. D., and traced the history of Christianity through the Catholic Church over that period. He said that the movement toward unification of Christian churches has been under way for centuries and "while it will not come about suddenly, great strides are being made through the ecumenical councils."

SPECIAL AUDIENCE

Pope John XXIII held a special audience for the 40 Protestant observers attending the council and spoke to the individual members, asking about their families and personal lives. He spoke in Italian and French. Each member received a souvenir medal in observance of the Pope's birthday.

Dr. Moss described the cathedral and showed slides of the interior and discussed the seating arrangement of the bishops at the council. He told the group that the council had 69 items to discuss at the current convocation.

He said "the unification of Christian churches has been planned for many years, and could come about within the next 10 years," through "this type of education and liaison between all churches."

Dr. Moss has been president of the Lancaster Seminary and professor of New Testament since 1957. He represented the United Church of Christ as a delegate to the Third Assembly of the World Council of Churches, New Delhi, India; the International Congregational Council, Rotterdam, The Netherlands, and the Vatican Council in Rome. He is the author of three books. He was the speaker at last year's county-wide Reformation service in Gettysburg.

Other Fairfield area ministers participating in the service were James Lesher, Iron Springs Brethren in Christ Church; Edwin Coddington, Grace Baptist Church; Alfred Gotwalt, Orrtanna charge, EUB; and Joseph Woods, Lower Marsh Creek Presbyterian Church.

Drought

(Continued From Page 1)

HEAVY FOREST LOSS

Thousands of acres of forest and fields have burned in upstate New York in the searing days since Oct. 1 and the Weather Bureau in Albany reported that the last 21 months, since Jan. 1, 1962, was the driest such period in the records of the bureau.

All woodlands and fields in New York State were closed to the public. Hunting, fishing and outdoor fires were banned.

The New York health department warned that the widespread smog, especially in the Hudson Valley could cause trouble for persons suffering from respiratory and heart ailments.

Pennsylvania was especially hard hit by the continued parching. The Weather bureau said no immediate relief was in sight for the drought-weary state. Fires continued to break out—34 of them Saturday—across the state's timberlands.

High Court

(Continued From Page 1)

Court was not implying how the circuit court should decide the Genovese case on reconsideration.

Clark said that he and the two other dissenters favored the Supreme Court's hearing argument on the Genovese case. He said he felt "it is futile" to send the Genovese case back to the lower court for reconsideration in the light of the Campbell case.

In a footnote to his dissent, Clark said that sending the Genovese case back "will merely delay the final decision which could be made on the record now before the (Supreme) Court."

Genovese and the nine others were convicted in April 1959 in federal court in New York of conspiring to violate the Narcotic Drugs Import and Export Act. The Supreme Court in May 1962 refused to review their trial and they then began proceedings for a new trial on grounds of newly discovered evidence. Losing in lower federal courts in New York, the 10 persons appealed again to the Supreme Court.

In addition to Genovese, the appeals were by Natale Evola, Salvatore Santora, Vincent Gigante, Joseph Di Palermo, Charles Di Palermo, Rocco Maffie, Carmine Polizzano, Ralph Polizzano and Charles Barcellona.

Joseph Valachi, gangster-informer who was the star witness at the Senate crime hearings, called Genovese "boss of bosses under the table" for Cosa Nostra — meaning he was the top man in the organization.

Battlefield Of Gettysburg: Mr.

T. Ditterline of this place has prepared a very distinct and correct Map of the battlefield, which has been lithographed and colored and presents quite a pretty appearance. The details are quite minute and will be highly satisfactory to all who feel an interest in the "three days' fight." It is for sale at the Store of Geo. Arnold, Esq.

The President has issued a Proclamation calling for three hundred thousand volunteers, said volunteers to be credited to the State or district in which they are enlisted against the present draft. They are to be raised for the regiments and companies now in the field and if the quota assigned to the respective States is not furnished by the 5th of January, the draft is to be enforced in such States as may not furnish their quota of volunteers by that time.

Rev. T. P. Bucher, for several years Pastor of the German Reformed Church in this place, has resigned his charge, and accepted a call from Dayton, Ohio. He left on Wednesday last. PEOPLE WHO
MAKE MISTAKES

I read somewhere that people who did not make mistakes never made anything. Creators, those who do things in a big way, and those who go forward, have always been those who are not afraid to make mistakes.

There is one thing quite noticeable about those who have gone far and risen high, however, and that is that most of the little mistakes have been made early in the game. Little mistakes are really great teachers. They help us to avoid big mistakes.

Cecil Rhodes once stated that he probably made more mistakes than anyone he ever heard of — but that he paid little attention to them: If we worry about our mistakes we lose the lesson that they teach and lose valuable time and mental health in the bargain.

People who are forever doing notable things are always accused of making mistakes. Their only accurate appraisal rests upon the mistakes that they do not make. Old Josh Billings once stated that success did not consist in not making mistakes, but in not making the same one twice!

Every great success is sprinkled with mistakes but they soon lose their identity in overshadowing achievements.

If we were always sure of an idea, a plan, or a course of conduct, we would go forward with great confidence, but we always know in advance that we may make mistakes, and thus are forearmed. We all know that mistakes are sure to come with any attempt at doing something worth while. He who makes a mistake unknowingly deserves no censure for, if he is wise, he will profit from it without having it pointed out to him.

The acknowledgment of a mistake is a fine trait of character, but to dwell upon it is weakness. Forget your mistakes and pass on. Bear in mind that the man or woman never lived who didn't make mistakes. The worst of all mistakes is to think that you can't make them!

Just Folks

AUTUMN

There is a sadness in the air,
As if young trees were weeping,
And older trees, with silvered hair,
A fearful watch were keeping;
A few have birds still twitter low
As if they, too, were crying;
The humblest creatures seem to know
That summer time is dying.

.....

There is a calm upon the land,
That vague and curious stillness
Which men and women understand
Who've watched a fatal illness.

.....

The hills and vales are damp with mist
And cold the winds are blowing.
Too bad that at her loveliest
The summer should be going.

.....

And yet how oft 'tis so with men
Who've struggled for a stipend
And dreamed of ease and splendor
When
Their talents should be ripened.

.....

No sooner are the chains of care
From wrists and ankles shaken
And looms a prospect wondrous fair—
Then from the world they're taken.

His widow, Mrs. Eliza Bittinger, has just made the very liberal subscription of \$3,000 towards this fund, and as the contributions of the other members will equal at least the remaining \$3,000 necessary to make Mr. Bittinger's bequest available, the erection of a new church is assured. Mrs. Bittinger's munificent contribution is a free will offering, given without solicitation or consultation with any one and is indeed a most praiseworthy and generous act.

SAY BRUNO MAY SURRENDER ON U.S. CHARGES

PHILADELPHIA (AP)—Angelo Bruno, 53, described by the Justice Department as the Philadelphia head of the national crime syndicate Cosa Nostra may soon surrender on a federal warrant, authorities indicated today.

The FBI however turned away all queries about Bruno with a terse "no comment."

But U.S. Commissioner Edward W. Furia indicated Bruno would surrender shortly on the warrant charging interstate extortion involving an alleged loan shark racket.

TO ASK HIGH BAIL

Furia said a bonding company approached him and asked what Bruno's bail would be. Furia said he told the company he would set bail of at least \$10,000.

Asked if this indicated Bruno was considering giving himself up, Furia replied, "of course." Three men, described as Bruno's lieutenants, were released on bond. They had been arrested Saturday night.

Philip Testa, 39, was released on \$25,000 bail as a material witness. Armand Colianni, 47, and Ignazio Denaro, 58, were released in \$50,000 bail each. They were charged with conspiracy and extortion. They all face hearings next Friday.

NO. 1 LOAN SHARK

Sunday, Harold Konigsberg, 35, of Lodi, N.J., described by the Justice Department as the No. 1 loan shark in the country, and Joseph Robert Juliano, 59, of Nutley, N.J., were freed on bail in Newark, N.J. Konigsberg's bail was \$100,000 and Juliano's \$25,000.

The FBI listed two men as fugitives in the case Samuel Roberts, 35, of New York, and Leonard Chivian, 38, of Philadelphia. At Saturday's hearing, FBI special agent David Breen testified that a Joseph Savod of suburban Broomall, Pa., borrowed \$13,500 from Konigsberg in June.

Gettysburg at Muhlenberg, non-league.

Sophomore quarterback Jim Ward sparked the Gettysburg College football to a 28-12 win over Albright Saturday afternoon on Memorial field as he tossed for two touchdowns, scored another and passed for a two-point conversion.

Ward turned in a fine performance before the annual Father's Day crowd of 5,200 fans. He completed five of 14 tosses for 78 yards, carried the ball nine times for an additional 26 yards. Senior Phil Parsons, hampered by a leg injury in the past, was back in old form as he ran at will through the Lion forward wall for 81 yards on 11 carries. He was backed by Junior Tony Presogna who carried 10 times for 62 yards.

Ward's first TD aerial came in the second quarter when he capped an 80-yard drive with an eight yard toss to Ken Snyder in the 2:49 mark. The score knotted the count at 6-6. Albright ripped across the goal line at 5:43 of the first period when Frank Herzog bolted over from the one following an eight-play 56-yard drive.

FUMBLE, PENALTY AID

The Bullets' young quarterback came right back 1:34 after his scoring pass to put Gettysburg in front for good and enabled the Bullets to hold a 14-6 lead at intermission. Harry Buzzer recovered a Les Brink fumble on the Albright 37. On the first play from scrimmage Ward tossed for a six-yard loss and penalized an additional five yards for intentionally grounding a pass putting the piskin on the Albright 44.

On the next play Ward tossed an incomplete pass to Snyder, but the Lions were penalized for interference placing the ball on the invaders' two. With 1:17 to go in the half, Ward blasted over on the keeper and Parsons toted the ball into the end zone for the two-point conversion.

Gettysburg's third touchdown came at the 6:29 mark of the third quarter. Don Manlove dropped a Vance Johnson punt and Dale Boyd recovered giving the Bullets possession on the Albright 33. Ward then stepped back and fired a 33-yard pass over the middle of the field to Tony Presogna for the six-points. Ward followed with his two-point conversion toss to Ken Snyder.

WARD LEADS

Albright cut the Bullets' lead to 22-12 at 10:10 of the final stanza. The Lions gained possession on their own 36 when Gettysburg lost the piskin on downs. Six plays sent the Reading team to the Gettysburg 40 from where quarterback Les Brink, who seemed to be caught behind the line of scrimmage and drawing the Gettysburg defense it, slipped away and rifled a pass to Bob Kopp in the open. Kopp trotted the remaining 15 yards completing the 40-yard scoring play.

GRUBER BLOCKS PUNT

Coach Gene Haas' squad registered its final TD with 4:37 remaining in the game. On a fourth and seven situation from his own 33, Lew Nevins, Albright punter, went back to boot the ball, but Gettysburg's Barry Gruber came charging through, blocked the kick then raced for the end zone and recovered the ball without any opposition.

Gettysburg, which has been known as a passing team, completed but eight of 24 tosses for 109 yards. The ground game netted 171 yards on 39 carries. Albright picked up 143 yards on

Goodling Repeats

As Lincoln Champ

Bobby Abel, Wrightsville, modified stock ace, outsped a fast field to win the 35-lap double point feature at the Lincoln Speedway Sunday afternoon.

Gene Goodling, who finished out of the money after striking the fence, garnered enough double points to repeat as point champion. Neil Haight, Bobby Abel, Diz Dean, Bobby Hersh, Bud Finkenroth and "Red" Ninninger took the top places in the point totals.

Frankie Thompson finished second in the feature. Pee Wee Poblis, Calvin Calp, Walt Bowman, Bill Nalley, Moe Harden and Red Ninninger followed.

Charley Cockey took the double point late model 20-lap event.

Next Sunday the Lincoln Speedway will present the "Bobby Hersh Benefit Race."

Munday Signs Again As GCC Golf Pro

Rod Munday has signed for 1964, third year as professional golfer at the Gettysburg Country Club, it was announced today.

Munday is generally recognized as one of the finest teachers of golf in the area and each year has many pupils from distant places.

The local pro is a fine competitor in his own right. This year he won the Philadelphia PGA seniors tournament and is probably the only one to have won that title as well as the Philadelphia PGA championship which he gained about 10 years. He finished seventh in the state championship tournament and was high amongst the money winners in many other tournaments. Last February he was 18th in the national seniors tourney in Florida and plans to enter that tourney again next February.

SAYS STEELER SPARK IS LOST

PITTSBURGH (AP) — Ernie Stautner sounded as if he had just played in a different game, not the one finished minutes before and won by the Pittsburgh Steelers.

The player-defense coach was saying how the Steelers still are seeking the spark that would make them a top notch defensive unit, which he thinks they should be.

But the defense had just catapulted Pittsburgh to a 38-27 National Football League victory against Washington.

"To be a great defensive team, you've got to have that little spark," the 14-year NFL veteran explained Sunday. "Any team that doesn't have it won't win. We are still looking for that spark. I think we're going to get it, but it will take a concerted effort on each individual's part."

"I thought we had it early this season against the Giants, but we've lost it. The Steelers have always been known as a rough, tough defensive club. Every team halted to play us because, though they knew they might score, they'd still get the hell beaten out of them."

ADVERTISE IN THE TIMES

MIDGETS END SEASON WITH 20-12 VICTORY

The Gettysburg Midget football team whipped Frederick 20-12 Sunday afternoon on the Recreation Park field to wind up its season with a 1-2-2 record.

In the opening period Howard Dorsey swept right end to score from 25 yards out. A jump pass for the point was incomplete.

The locals went ahead 13-0 at half time when Dorsey on another sweep streaked 30 yards. Eric Maitland passed to Wes Ayre for the point. Dorsey added his third touchdown early in the third quarter on an option run of 35 yards and again Maitland and Ayre teamed for the point.

Frederick scored later in the period on a 25-yard run by the fullback. A Frederick halfback scampered 20 yards in the last from for the final score of the day. A plunge and pass, respectively, failed for the extra points.

FINE BLOCKERS

Barry Cline and Eric Maitland provided key blocks for Dorsey's TD runs while Maitland turned in a fine job at quarterback.

Finishing the season on the squad for the Midgets were E. Maitland, T. Maitland, H. Dorsey, McLaughlin, Cline Swinn, Wright, Ayre, Whittinghill, Wickerham, Brown, Harmon, Linn, McIlhenny, Greenwalt, Mallow and Asay.

Bod Davies, who organized the midget team, today expressed appreciation for the personal and financial aid from the Gettysburg Junior Chamber of Commerce, for transportation furnished by the National Heritage and to Jim Davies who contributed much time and hard work in coaching the squad.

2 CANDIDATES DIFFER OVER 1964 ISSUES

By JACK BELL
AP Political Writer
WASHINGTON (AP) — Gov. Nelson A. Rockefeller and Sen. Barry Goldwater disagree on some vital issues but they are in accord in advocating a two-front attack on President Kennedy in 1964.

In answers to a series of identical questions submitted to them separately by The Associated Press, the two potential contenders for the GOP presidential nomination disclosed a deep division over civil rights legislation.

The New York governor and the Arizona senator voiced opposing views on how to provide medical care for the elderly, the need for right-to-work laws and whether there should be an immediate tax cut.

WARN OF REDS

In the international field they stood together in opposition to any American pull-out from Viet Nam. Both cautioned against being lulled by Soviet overtures for peaceful coexistence. Their answers about what to do about the Cuba problem were relatively similar. They differed in degree over the limited nuclear test-ban treaty's effect.

Rockefeller served notice he did not regard answers to the questions as a substitute for a face-to-face debate with Goldwater over party policies. Goldwater said he was willing to debate "the weaknesses of the Kennedy administration" but saw little value in Republicans debating Republicans.

PRIME ISSUES

Both men picked foreign policy and the state of the domestic economy as prime two-pronged issues against Kennedy in 1964.

The governor and the senator were asked if they felt a Republican could defeat Kennedy without strong electoral support from the South, where Goldwater reportedly has much

FIRE CANCELS MASS SUNDAY

HARRISBURG (AP) — A fire which broke out in the altar boy's sacristy interrupted the 12:15 p. m. mass Sunday at St. Patrick Roman Catholic Cathedral in Harrisburg.

All 600 parishioners in attendance were forced to leave the church and the mass never was resumed.

The preliminary estimate of damage was in excess of \$10,000.

The fire broke out—and was confined to—the altar boy's sacristy in the basement rear of the church.

Assistant Harrisburg Fire Chief Elmer Shover said the fire was thought to have started in a closet used to store the altar boy's vestments.

Regular services will be resumed at the cathedral today.

RANGOON, Burma (AP) — Burma's military government has nationalized the country's seven cigarette manufacturing companies. It was the last segment of big business still in private hands.

The "enterprises nationalization law" promulgated Saturday empowers the government to nationalize any business concern on the understanding that compensation will be paid.

UNIVERSITY PARK, Pa. (AP) — George H. Deike Jr., a Pittsburgh industrialist, has been named to succeed his late father on the board of trustees at Pennsylvania State University.

more strength than Rockefeller. Goldwater said that to defeat Kennedy, would require "substantial electoral support from all sections of the country, not just any particular one."

Rockefeller said he believes "that the Republican nominee, running on a forward-looking platform which really meets the nation's needs, will receive substantial support in every section of the country."

SHARP DIFFERENCES

The differences between Goldwater and Rockefeller were sharpest in response to a question as to what, if any, civil rights legislation Congress should pass.

The senator said his "basic feeling is that legislation will not solve the civil rights problem." The governor contended that "the federal government has a deep moral and constitutional responsibility to guarantee equal rights for every American citizen."

Goldwater said: "I completely oppose the public accommodations section (to enforce integration on business firms serving the public) as being unconstitutional and uncalled for."

'49ERS GET 1ST WIN IN UPSET OVER BEARS

By MIKE RATHET

Lamar McHan, a discard who has been tossed away so often he began to feel as useful as a three of spades in a pinochle deck, has turned a hot hand into the No. 1 upset of the National Football League season.

A 30-year-old journeyman quarterback who wound up at San Francisco three weeks ago in a quick shuffle, McHan completed 10 of 20 passes for 141 yards and one touchdown while guiding the 49ers to their first victory Sunday—20-14 over the previously unbeaten Chicago Bears.

McHan, a Heisman Trophy winner during his college career at Arkansas, turned up at Baltimore last year as the substitute dealer for Johnny Unitas after stops with the Chicago Cardinals and Green Bay Packers. He was cut loose by the Colts this season and considered retiring.

WIDE OPEN RACE

The 49ers, shopping for a quarterback to replace injured John Brodie, first traded for New York's Ralph Guglielmi. Guglielmi declined to report, and the 49ers finally turned to McHan, who mounted San Francisco's most productive offense since opening day.

The upset by the 49ers, whose total scoring output in two previous games consisted of a pair of field goals, threw the Western Conference race into a wide open battle and overshadowed two other developments—Jimmy Brown's career rushing record and Bart Starr's hand injury.

Brown carried 25 times for 144 yards and scored one touchdown on a pass, breaking Joe Perry's rushing record by bringing his total to 8,390 yards as Cleveland whipped Philadelphia 37-7 and became the league's last undefeated team.

Starr, the No. 1 quarterback for Green Bay's defending league champions, suffered a severe injury to his passing hand in a first-half battle with St. Louis' Jimmy Hill during the third period at the Packers' 30-7 romp over the Cardinals.

The Packers' triumph, coupled with the Bears' loss, left Green Bay and Chicago tied for the Western lead with 5-1 records. Cleveland, 6-0, leads the East by two games over St. Louis and New York, both 4-2.

Y. A. Tittle passed for four touchdowns in the Giants' 37-21 victory over Dallas, Pittsburgh came from behind for a 38-27 triumph over Washington, Baltimore edged Detroit 25-21 and Los Angeles downed Minnesota 27-24 for its first victory.

In the American League, San Diego crushed Kansas City 38-17, Houston whipped Buffalo 28-14 and Oakland routed New York 49-26.

WON ON INTERCEPTIONS

Frank Ryan was the big man for the Browns with four touchdown passes, a 10-yarder to Brown and a trio to Gary Collins covering 25, 17 and 14 yards. That brought his TD total to a league-leading 16. Brown eclipsed the career rushing mark of 8,296 yards set by Perry over a 14-year span. Brown is in his seventh season.

The Colts also won on an interception. Andy Nelson picked off a fourth-quarter pass by Milt Plum—the only one attempted by the Lions' quarterback and lugged it 26 yards for the clinching score.

The Rams, who had lost eight in a row, won their first for Coach Harland Svare when Danny Villanueva kicked two 27-yard field goals in the final period against the Vikings.

NAIROBI, Kenya (AP) — Fifty thousand Africans cheered Prime Minister Jomo Kenyatta Sunday on his return from London with word that Kenya will obtain full independence Dec. 12.

"I have got the British lion by the tail after 40 years of fighting for independence," said the veteran nationalist.

Kenyatta said in the negotiations in London his delegation had obtained changes in the draft constitution that would provide for a united nation in which all races and tribes could feel secure.

SEOUL, Korea (AP) — Nineteen Koreans, most of them women, drowned when a fishing boat capsized Sunday off the coast of P'yongtaik, 40 miles south of Seoul.

A sudden wave overturned the boat as it was on its way back from an oyster bed in the Yellow Sea.

NAB PASTOR IN FALSE THREAT

OLD TOWN, Maine (AP)—A state representative is charged with allegedly telephoning a false bomb threat on the eve of President Kennedy's visit to the University of Maine.

Rep. Robert C. Cartier, D-Biddeford, was arrested at a party Friday night.

Cartier, 24, Sunday night called the incident a foolish mistake. He said he tried to rectify it moments later but could not reach the operator because all the lines apparently were tied up.

Police said Cartier told a telephone operator Friday evening the university stadium would be bombed that night.

Kennedy received an honorary degree and made an address at the stadium Saturday.

Cartier was arrested after Police Chief Otis LaBree was given the name of the street from which the call was made.

LaBree, two Secret Service agents and two state troopers made a house to house check and questioned 43 persons at a party they found in progress.

Cartier was released on \$1,000 bail Saturday. Word of his arrest was withheld until Sunday because of security restrictions surrounding Kennedy's visit.

Marriage Vows Are Renewed On Sunday

Mr. and Mrs. John S. Wheeler, 153 W. High St., renewed their marriage vows Sunday in the Foursquare Gospel Church on their 25th wedding anniversary in the presence of the congregation. Immediately following the morning worship service, Rev. Harold L. Myers performed the ceremony.

Mr. and Mrs. Wheeler were married in Baltimore Oct. 20, 1938, and moved to Gettysburg in 1943. He is employed by the state highway department. Mrs. Wheeler is employed at the Gettysburg Shoe Co. They have three children, John S. Jr., New Chester; Mrs. Betty Coburn, Washington, D. C., and Geraldine, at home. They also have two grandchildren.

A reception was held at the Wheeler home following the service.

DAMASCUS, Syria (AP) — Syrian troops are fighting alongside Iraqi forces in the war against Kurdish rebels in northern Iraq.

President Abdel Salem Aref of Iraq said in a speech broadcast Sunday it was the first unified operation since the two nations merged armed forces two weeks ago.

Aref did not say how many Syrians are participating, but earlier unofficial reports estimated one brigade.

DECISION MAY COME SOON IN CIVIL RIGHTS

WASHINGTON (AP)—This is the week that should determine what shape civil rights legislation is going to take in Congress.

Starting Tuesday, the House Judiciary Committee will take up proposals to weaken the civil rights bill now under consideration. Before the week ends, votes are expected on at least some of the revisions.

The committee sessions will be the chief activity in the House.

The Senate has scheduled a vote today on a \$1.7-billion program of aid to higher education, but after that the spotlight will also shift to a committee room, where hearings on the administration tax bill continue.

The Senate brought the college

bill to the verge of passage last week but put off the final vote to accommodate Sen. Wayne Morse, D-Ore., who had to be out of town the latter part of the week.

In the House Judiciary Committee two veterans of civil rights legislative battles will try to rally support for a more moderate bill than that produced by one of its subcommittees.

Chairman Emanuel Celler, D-N.Y., who helped shape the stronger bill, has heeded the plea of Atty. Gen. Robert F. Kennedy to try to tone it down so it can command broader support.

Celler has lined up most of the Northern Democrats on the committee to support him, but needs the ranking minority member, Rep. William M. McCulloch, R-Ohio, to go along if a strong bipartisan base is to be fashioned.

IT WAS LIKE CLEANING OUT THE GARAGE 210 TIMES A YEAR

Cleaning out the garage is a nasty little job. But it has to be done . . . usually about twice a year. But what if for some reason, you had to clean out your garage 210 times a year? Well, it wouldn't be long until you'd park your car in the driveway and seal the garage permanently.

Less than a generation ago, most families were doing a daily chore about 210 days a year that took as much time and was about as messy as cleaning out the garage. That was getting heat out of an old-fashioned furnace. You remember that furnace routine—shake it, empty it, load it, bank it . . . hey, it went out.

Natural gas changed all that. Today . . . gas heating provides your comfort automatically. It's THE convenience in your home. Really big.

And best of all . . . natural gas brings you this comfort and convenience at a cost much less than any other source of energy.

CUPID-CADET PLANS UPSET WORKING GALS

By ROGER BLOBAUM
CHICAGO (AP) — Plans to play cupid to cadets from two service academies have thrown City Hall and the city's working girls into a ruckus that has led to a call for help from the White House.

The controversy was stirred up initially by two 18-year-old secretaries who complained that somebody in City Hall had banned them from attending the big Army - Air Force football dance Nov. 2.

APPLIED FOR DATES
"My girl friend and I went to City Hall, room 610, to apply for being cadets' dates like the newspapers said we could," Susan Benedetti related.

"A woman secretary or something told us, 'Oh, I'm sorry. Didn't you know? It's just for college girls.'"

Reports of the incident eventually got to Col. Jack Reilly, aide to Mayor Richard J. Daley and chief cupid for the big Saturday night affair. He denied working girls were being cut out in the date matching.

"Such poppycock," he said. "The trouble is, we got three times as many applications as we could possibly need. The ones who were turned down are writing to everyone in the world, griping."

WRITE WHITE HOUSE
On Wednesday, Miss Benedetti and her disappointed girl friend, Jeanine D'Angelo, shot off a letter to the White House complaining they were being "rankly discriminated against" by City Hall.

The big ball was planned for about 5,000 West Point and Air Force Academy cadets coming for the game.

Col. Reilly, unaware of the gathering storm, earlier this month checked out his blind date plans with officers from the academies.

"Nothing would please the mayor more than to have 5,000 cadets come to the ball," he announced.

"But we must know who is coming to the affair — in advance. There's going to be nothing pickup about this thing. We are keeping this on a high level."

After the officers reported a large number of lower classmen probably would need dates the mayor's aide issued a call for "1,000 girls with the average age of 18, and a few in the upper bracket of 19."

Applicants, including Miss Benedetti and her girlfriend, flocked to City Hall.

Col. Reilly reported Friday that applications had been accepted from working girls and from a large number of young women on lists submitted by deans of local colleges, universities and nursing schools.

Mrs. William Arnold of Lake Forest, who heads the City Hall committee paring the list down to 800 or so, said the prospective dates are being checked for height, poise, intelligence — and occupation.

WASHINGTON (AP)—In the news from Washington:

FAR EAST TRIP: President Kennedy has decided against making a trip to the Far East this year.

It was learned that Kennedy has accepted the advice of aides and delayed the proposed trip to Japan and other nations until next year, possibly February.

Kennedy was reported to have decided that December would be a poor time to make the trip, with Congress likely to be still in session debating the President's tax cut and civil rights bills.

Kennedy is believed to be considering visits to Japan,

South Korea, Indonesia, Malaysia, Australia and the Philippines.

JOINT MOON SHOT: The space agency has asked the Senate to cut out a House-sponsored provision in the space appropriations bill forbidding joint U.S.-Soviet space ventures.

James E. Webb, administrator of the National Aeronautics and Space Administration, told a Senate appropriations subcommittee headed by Sen. Warren G. Magnuson, D-Wash.:

"I would hope the Senate would take this language out. This does not help the image of the United States."

President Kennedy proposed in a United Nations speech last month that the United States and Soviet Union cooperate in a joint space flight—such as an expedition to the moon. The Soviet Union has given no indication it is interested.

WATER HOLE: An underground nuclear test detection experiment near Baxterville, Miss., has been delayed until at least next spring after the first test hole turned out to be a water hole.

The delay was announced Friday by the Atomic Energy Commission and the Defense Department, which said the project had encountered "construction difficulties."

The water appeared in a 2,700-foot hole in which a 5-kiloton blast—the equivalent of 5,000 tons of TNT—was due to be set off. Contractors are being invited to submit bids for another hole.

VATICAN CITY (AP) — Dr. Fred Pierce Corson, Methodist bishop of Philadelphia, received a private audience with Pope Paul VI, the Vatican City's new pope, Oct. 18.

Smokey Says:

Our forests give us so much... and demand so little—be careful!

The announcement of the audience was carried by the paper Friday. Details were not disclosed.

Death Of Youths Is A Closed Case

MEDIA, Pa. (AP)—Delaware County's district attorney has closed his books on the strange death of James F. Robinson, 23, the son of a former Curtis Publishing Co. executive.

Robinson was found dead Oct. 11 in his home in nearby Swarthmore, bound to his bedpost by ropes, chains, and a web belt. The belt, looped around his neck, had strangled him.

Dist. Atty. Jacques H. Fox said Friday his finding—supported by outside experts—was accidental death.

"No one else was involved in the death," he said. "So far as we're concerned the case is closed."

Robinson's father, Ford F. Robinson, is a former senior vice president of Curtis.

TEN MISSING AS HURRICANE WINGS NORTH

By THE ASSOCIATED PRESS
WASHINGTON (AP)—Hurricane Ginny appeared to be slowly lumbering away from shore today as it whipped up high waves and winds off the North Carolina coast.

One ship with 10 Navy men aboard was reported missing in the raging seas.

Ginny, which grew quickly into a full-blown hurricane Sunday night, packed 90 mile-an-hour winds that extended as far as 60 miles in all directions from where it churned the Atlantic about 100 miles southeast of Cape Hatteras, N.C.

It sent gale winds whistling as far as 250 miles away. At 5 a.m. (EST), the Weather Bureau reported that Ginny, after having hovered near Cape Hatteras, was finally veering northeast at about 6 m.p.h.

Rescue planes and a Coast Guard cutter sped into the storm area in search of a decommissioned Navy picket ship, the Fogg, with an officer and nine enlisted men aboard.

The vessel, formerly a destroyer-escort, was being towed by the tug Salish when the tow line parted 45 miles southeast of Cape Lookout.

The Fogg has no power of its own and hasn't been heard from since the line parted.

The Navy said the seas in that area are running 40 to 50 feet high.

The Salish was also reported having difficulty steering in the high seas, fierce winds and driving rain.

Winds buffeting the coast cut off telephone communications between the mainland and North Carolina's string of sandy islands known as the Outer Banks. There was no indication so far, officials said, that residents of the often storm-swept island would have to be evacuated.

The Navy stood watch at its big Norfolk, Va., base to evacuate planes if need be in the face of Ginny's winds.

Civil defense and other emergency agencies were on alert in the areas.

North Carolina officials suspended operations of ferries at Oregon and Hatteras inlets early Sunday because of rough water and high winds.

Ex-Treasurer To Be Given Hearing

BEAVER, Pa. (AP)—Democrat Russell Milnes, treasurer of Beaver County, will be given a hearing today on charges of fraud and misbehavior in office.

William Kovolenko, former state assemblyman, filed the charges Friday. He said Milnes filed a false and fraudulent voucher for reimbursement of travel expenses July 1, 1962, and was not entitled by state law to receive such reimbursement.

Milnes is a candidate for the county recorder of deeds in the Nov. 5 election.

Kovolenko, a registered Democrat, is running for county commissioner on the Constitutional Assembly party, an organization of dissident Democrats.

ERIE, Pa. (AP)—The four-day annual Pennsylvania State Grange convention opens tonight in Erie with an address by Milton W. DeLancey, secretary of the Pennsylvania State Association of Township Supervisors.

Elimination in the talent festival also will be held tonight.

John Scott of Camp Hill, master of the state grange, will address delegates Tuesday, the day the business session begins.

Other speakers during the convention will be William S. Livengood Jr., counsel for the state grange and former State Secretary of Internal Affairs, and William J. Brake, lecturer of the National Grange.

SAN FRANCISCO (AP)—"That is Mommie and Daddy," the 2-year-old in the front row yelled as the bridegroom kissed the bride.

Speaking was Andrew Mayo and he was right.

Andrew and his 4-year-old sister, Amanda, were among the guests as actress Janet Blair and television producer Nick Mayo repeated their marriage vows.

The ceremony took place in the same Swedenborgian church where they were married 11 years ago.

Andrew's outburst didn't bother Miss Blair.

across Oregon Inlet was opened to allow motorists to leave the Outer Banks.

During the night the Weather Bureau posted hurricane warnings for the Hatteras vicinity and ordered a hurricane watch for the coastal area from Nags Head to Cape Lookout, N.C.

Gale warnings flew from Block Island south to Myrtle Beach, S.C., and over the southern Chesapeake Bay.

A Lovelier You

By MARY SUE MILLER

WHO NEEDS EXERCISE? Can you bend from an upright position and touch your toes? Or lie flat on the floor and roll up to a sitting position? Or, back on floor,

can you raise your legs 12" and hold them up for 10 counts?

If those calisthenics come easy to you, the chances are you get enough exercise to keep your muscles in trim. But it is not necessarily so. Lots of very fit people fail the test and for the reason that their workouts take another direction. Calisthenics, like any other exercise form, requires practice before you can perform effortlessly.

What then is the significance of failing the test? It has none at all, when you exercise on a regular basis—take a brisk daily walk or participate in any sport from table tennis to skiing, at least twice weekly.

Otherwise, the indication is clear that you need more exercise. You would make a good start by turning the test into a daily routine. Simply perform each part 10 times, incorporating these important methods:

When you bend to touch the toes, be sure to lead with the head and curl the spine inch-by-inch. Use the same curling action in rolling the back off the floor; it will be less strain if you brace your feet under a low stool. In performing the third routine, keep the legs up only as long as the back hugs the floor.

From just that much effort you reap the principal benefits of exercise—increased stamina, improved contours and limbered car-

KENNEDY TO SPEAK TODAY AT MIAMI U.

WASHINGTON (AP)—President Kennedy returned to the capital today after a busy week-end in New England with plans for a series of cross-country appearances at Democratic fund-raising dinners.

His appearance at a record-setting Boston dinner Saturday night climaxed Kennedy's New England weekend.

White House sources said the fund-raising tours are expected to raise as much as \$10 million for next year's campaign.

Final decisions on cities where Kennedy will appear have not been reached, but it is expected that he will hit many major population centers—including Dallas, San Francisco, Chicago, Philadelphia, New York and Miami before the presidential campaign begins.

7,000 IN BOSTON

The Boston dinner drew more than 7,000—at \$100 a plate—a bonanza of more than \$700,000 for the Democratic party.

Party functionaries approached the President immediately after the dinner to urge that he appear in other cities, and it was learned he was more than receptive to the idea.

Kennedy flew to Hyannis Port Sunday morning from Boston and spent a quiet day with his invalid father, Joseph P. Kennedy, and his mother, Rose.

In his Boston speech, Kennedy said his congressional critics can show their concern for the nation by voting for his programs.

He said they can show their concern about unemployment but voting for an \$11-billion tax

The 67-year-old statesman was the first U.N. secretary-general, serving from 1946 to 1953.

ABERDEEN S.D. (AP)—Three of the Fischer quintuplets have completed a giant step toward normal babyhood.

Mary Catherine and Mary Margaret Fischer were taken from Isolette and put in incubators at St. Luke's Hospital Sunday. Brother James Andrew, largest of the quintuplets, got out of the Isolette last week.

The two other girls, Mary Ann and Mary Magdalene, are still in Isolette. But, like the others, they're getting along nicely.

cut; about Latin America, by restoring recent cuts in Alliance for Progress funds; and about racial troubles, "by voting for a strong civil rights bill."

The President also urged appropriations for science and space, restoration of tentative cuts in foreign aid, and affirmative action on education, youth employment, medical care for the elderly and area redevelopment.

PITT ALONE ON UNBEATEN LIST FOR THIS STATE

By THE ASSOCIATED PRESS

With the exception of Pitt, now the state's only undefeated, untied college football team, Pennsylvania teams would have done well to stay home Saturday.

Pitt edged West Virginia 13-10 on a 46-yard touchdown run by Paul Marth in the final period. But what happened to Penn State and Penn shouldn't happen to your worst enemy.

Penn state lost only 9-0 to Syracuse, but what made the defeat hard to take for Coach Rip Engle was that this was the first time since 1958—58 games ago—that a Lion football team was blanked. Twice State pass receivers dropped sure touchdowns aerials in the end zone.

Penn has had some sorry days in football in recent years—at least since Steve Sebo was fired after winning the Ivy League title—but being polished off 41-13 by Brown surely must be close to the worst. It was only the third time in more than half a century Brown beat Penn.

Lehigh also went visiting and came home thoroughly beaten. Rutgers did the job on the winless Engineers, 30-6, their fourth defeat.

It was a rough weekend on unbeaten teams. Although Pitt remained unscathed, and Temple, Thiel, Indiana and Westminster, all once-tied, remained undefeated, five teams felt the sting of defeat for the first time. Down went Slippery Rock, Swarthmore, Delaware Valley, Washington & Jefferson, and Clarion.

Temple put together back-to-back shutouts for the first time since 1954, wallowing winless Lafayette, 31-0. Thiel preserved its unbeaten status by edging W. & J., 7-0. Westminster turned a fumble into a touchdown and scored a safety in edging Slippery Rock, 9-7. Indiana State showed no respect for Clarion's status as the No. 9 ranked small college team, winning 34-0. Delaware Valley was swamped by Drexel 42-15, and Swarthmore was smothered by Hamilton 40-15.

Other highlights:
Villanova skinned by George Washington 14-13, when the winless Colonials had a two-point conversion nullified by a penalty; Bucknell whipped Tufts 21-14 in a much closer game than the Bisons had reason to expect; Susquehanna rolled up 383 yards on the ground in a 31-0 victory over previously undefeated Washington and Lee. It was Susquehanna's 26th win in the last 27 games and ended a W. & L. nine game winning streak.

East Stroudsburg thumped Mansfield 34-6 as senior half-back Toby Barkman set a new career scoring record for the State College Conference of 186 points. West Chester, headed for the Eastern Division title of the conference, stepped outside to beat Southern Connecticut 20-0. Gettysburg won over Albright 28-12, evening its record at 3-3 for the season, while fullback Alan Sepsi scored three tds as California whipped Shippensburg 34-0.

S. VIETNAM TROOPS GIVEN WORST DEFEAT

SAIGON, South Viet Nam (AP)—South Vietnamese and U.S. Army officers expected trouble when they planned a weekend attack on a Communist guerrilla unit deep in the Mekong Delta.

Their fears were well founded. South Vietnamese troops suffered their worst defeat in nine months. Government casualties were listed at 40 dead and 80 wounded, including 13 American wounded.

The government estimated enemy casualties at 30 dead. No prisoners were taken. Only four bodies were found.

IN FORTIFIED POSITIONS

The battle, termed by U.S. advisers "the bloodiest nose" given President Ngo Dinh Diem's forces since a similar defeat Jan. 2, took place in a remote area of rice paddies and palm groves near Loc Ninh, 140 miles southeast of Saigon.

A considerable distance from helicopter bases and out of reach of government artillery, the sector has long been infiltrated by guerrillas.

Entrenched in fortified positions, Viet Cong heavy machine guns cut up two waves of South Vietnamese troops carried in by U.S. helicopters.

THEN THEY MELTED AWAY

Another government battalion brought in on foot failed to dislodge the Viet Cong's well-trained and well-equipped battalion. A third helicopter force was halted, too.

By Sunday morning, the Viet Cong had melted away in sampans along the many canals in the area.

About 900 Vietnamese troops fought against a force of no more than 400 to 500 guerrillas, U.S. advisers said.

Four American crewmen were injured when a helicopter was hit by Communist fire and flipped over in the mud. Another helicopter lost rotor control but made a crash landing at an airfield 25 miles away after the American pilot was struck in the back by a Communist bullet.

Viet Cong machine gunners also wounded the American navigator of a B26, struck two fighter planes and damaged several other helicopters.

Ethiopia, unlike most African nations, was enjoying nationhood when Athens was still in its infancy.

ARMORED UNIT IS READY FOR BIG AIRLIFT

By FRED S. HOFFMAN

FT. HOOD, Tex. (AP) — A "let's get going" mood gripped this sprawling tank base today as the 13,500 men of the crack 2nd Armored Division poised for the start of the historic "Exercise Big Lift" to West Germany.

The lead jet C135 bearing Maj. Gen. Edwin H. Burba, the "Hell on Wheels" division commander, and his headquarters was due to take off at one minute past midnight Tuesday.

From then on, for three days, jet, turbo-prop and propeller-driven transports will ferry a stream of battle-dressed U.S. soldiers across the Atlantic 5,600 miles from deep in the heart of Texas to the heart of West Germany.

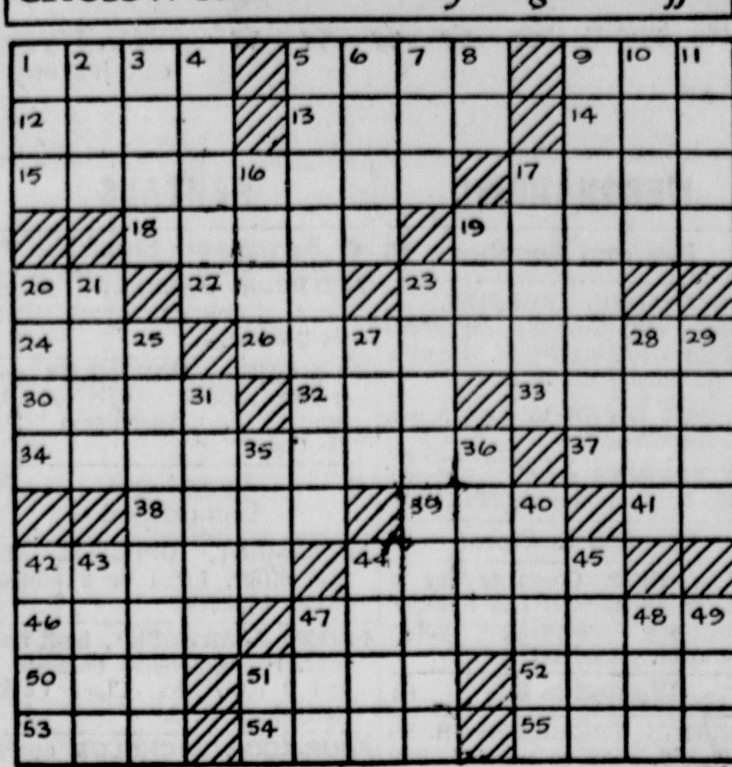

HUGE OPERATION

Other planes of the Military Air Transport Service (MATS) will be lifting artillery and truck outfits from Ft. Sill, Okla., Ft. Eustis, Va., and Ft. Bragg, N.C.

The Air Force will send a composite strike force of 116 jet fighters, reconnaissance planes and transports across the Atlantic from Loring Air Force Base in Maine and Westover Air Force Base, Mass., to forward airfields in France and Germany.

This will be the biggest, and in many ways the most significant, airlift operation in history. All told, 16,000 Army and Air Force men and more than 350 planes will span the Atlantic in

MANEUVERS AHEAD

When the 2nd Armored Division reaches Germany, landing at three bases in the Frankfurt area, its units will move to depots and draw more than 27,000 tons of tanks, artillery, trucks and armored troop carriers from stockpiles.

After drawing this heavy gear, the division will head for a week of maneuvers with other U.S. forces manning defenses along the Iron Curtain.

After the war games along one of the main invasion approaches from East Germany, the 2nd Armored Division will turn in its heavy equipment and return home to this 207,000-acre post.
